```

Welcome to My Web Page

This is the first paragraph of text. You can add any content here to describe something interesting or informative.

This is the second paragraph. You can continue with more text, explaining more details or adding a story!

Unordered List

- **Item 1**: This is the first item in an unordered list.
- **Item 2**: This is the second item.
- **Item 3**: Here is the third item.

Ordered List

1. **Item 1**: This is the first item in an ordered list.
2. **Item 2**: This is the second item.
3. **Item 3**: Here is the third item.

Image

An image will be displayed below the lists, but since the URL used for the image (`https://www.example.com/image.jpg`) is just a placeholder, no actual image will show. If you replace this URL with a valid image URL, the image will be displayed with a width of 300px.

Summary of Output:

- A main heading at the top ("Welcome to My Web Page").
- Two paragraphs of text beneath the heading.
- An unordered list with bullet points.
- An ordered list with numbered items.
- An image that will only be displayed if a valid image URL is provided in the `src` attribute.
